Greetings all. Hopefully by this time we have all either been vaccinated, gotten the first of 2 shots, or at least have an appointment to do so. It appears as though there is an end in sight to get over this pandemic. It has been a long year, and now that we are getting close, we really need to stay vigilant to cross that finish line. Looking forward to seeing everyone again soon.

Village of Buchanan Logo Redesign Contest

The Village of Buchanan is holding a contest to redesign our Village seal or logo which appears below. It also appears on the Village letterhead and many other documents.

We are looking to reflect the change from the current seal's industrial symbols to reflect the current environment emphasizing iconic Village features (Village Hall, the clock in the circle, Lents Cove Park), area history, and the local waterfront on the Hudson River.

Designs should be submitted by June 1, 2021

Coordinating on this project are Trustee Nick Zachary and Hendrick Hudson School District art teacher Jessica Nash. Questions about the contest can be emailed to

nzachary@villageofbuchanan.com

Jessica.nash@enhudschools.org

A panel will be formed to review all the designs submitted and select five finalists. Village residents will then vote to select the winning design.

There will be a cash prize which will be announced later.

A website for the contest will be up and running shortly and it can be reached at

<https://sites.google.com/view/buchananlogocontest1/home>

Designs will be submitted to the website.

There will be updated info posted on the website and the link will be on the Village of Buchanan website and Facebook page.

Designs are at the artist's discretion but you can look at other municipal websites to see some of their seal designs and the features they choose to emphasize.

(Examples - Croton, Cold Spring, Beacon, Town of Ossining).
