A Con Edison contractor will be working in your neighborhood on a gas construction project. The work is scheduled to start January 10, 2022 with an anticipated completion date of March 18, 2022.

While we work, we will need to store supplies and equipment along the road in some areas. We also may need to excavate your sidewalk, driveway or lawn area. If your property is affected, we will restore it.

If you have questions about the upcoming work, or private facilities buried in your lawn, such as sprinkler lines or electric dog fences, you can reach us at [CustomerQuestions@coned.com](mailto:CustomerQuestions@coned.com).

During the work, we may need to interrupt gas service temporarily. We will notify you in advance if your service will be affected. We will need access to your home to restore your gas service, and we will work with you to accommodate your schedule.

Please note that there is usually a delay between the end of the project and the final landscaping or paving restoration, which is completed by different contractors.

We are committed to working closely with you to minimize any inconvenience, and we thank you for your patience.

If you have any questions, please contact **Westchester Regional and Community Affairs** at [dl-WestchesterRCA@coned.com](mailto:dl-WestchesterRCA@coned.com)
