

VILLAGE OF BUCHANAN, NEW YORK  
2024-2025 ADOPTED BUDGET

Prepared by:

The Office of the Village Administrator and the Department of Finance

Marcus Serrano, Village Administrator

Cynthia Kempter, Clerk/Treasurer

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

Honorable Mayor Knickerbocker and Village Board:

I am presenting, for your consideration and review, the tentative fiscal year 2024-2025 operating budget. After a good year last year, I am sorry to say that we must increase taxes again. This tentative budget reflects a tax increase due to the decrease in cessation funding, decrease in other revenues, increase in salary/benefits for the Police officers, increase in debt service for the 2024 bond and decrease in transfer from the Water Fund. The decrease in transfer from the Water Fund continues, to reduce the subsidy from the Water Fund. This act removes the dependence of the General Fund from the Water Fund. This is a matter that I was concerned about since I started working for the Village. My goal was to remove this dependence. I was assured that my concern was valid by Standard and Poor's (S&P) during our rating call. The main reasons for the increase for the 2024-25 fiscal year, as listed above, are due to the decrease in the cessation fund, decrease other revenue, increase in Police appropriations as well as other appropriations. The issue and concern I have is that the trend for the cessation fund will continue to decrease for the next three years and then we will see a substantial increase in taxes in year four. As stated in my 2023-2024 message, we will have substantial issues starting in the 2026-27 fiscal year unless there is a new PILOT with Holtec, as well as other decisions made to increase our tax base in a meaningful way.

This document will provide some background on my tentative budget as well as provide some forecasting of what we will be facing in the coming years. I pride myself on being open and providing the Board and public information, not just for the budget in question, but what the Village will be facing due to the closure of Indian Point. I am looking forward to our Public Hearing and meetings to review operating requests for the benefit of the taxpayers. The Final Budget for the 2024-2025 fiscal year must be officially adopted by the Board by May 1, 2024. This message will provide information describing the operating revenues and appropriations for the General and Water funds.

The Tentative increase in the tax rate for the 2024-2025 budget year is 5.34%. The increase would have been 5.90% if it was not for the increase in taxable value due to building permits issued by the Building Department. I was hoping that we could have seen a lower increase, however but due to the decrease in the cessation funding, Police appropriations, other expenditure increases, reduction in other revenues which are beyond our control and to continue to provide the services to our residents we had to increase the taxes. We have a fiduciary responsibility to provide the services to our residents that they deserve and, to do so, there must be an increase in tax revenue. We will continue to face financial impacts due to the closure of Indian Point, increases in appropriations and volatile revenues. The most important issue we will be facing is the decrease of both the PILOT from Holtec and the Cessation Mitigation Program.

I strive to provide as much information and detail as possible in my tentative budget. You will find detailed information in this document. To provide the Board and public further information, I will be providing a summary of results and analysis at the Village Board Work Shop on March 26, 2024 as well as the Public Hearing on April 3, 2024. This presentation will provide trends on revenues and appropriations as well as the future impacts from the reduction of the PILOT from Holtec and the Cessation Mitigation Program.

I have reviewed all line items to provide a financial plan that is sustainable. Please keep in mind that this document is a forecast with several assumptions. This is a working document that is flexible.

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

Our taxable value has increased slightly. In my professional opinion, the Village must increase its taxable value to lessen the financial impact on our residents. If not, we will see substantial increases in taxes within two years. We have seen another year with a decrease in the equalization rate. With this decrease, we have a few tax certioraris and possible small claims that may reduce the taxable value. This would create additional pressure on the tax rate as well produce refunds. I will provide additional information regarding the taxable value later in this budget message.

I have reviewed every single line item and discussed them with the department heads to come to a budget that what we believe we need for the next fiscal year. This tentative budget includes all salary increases for Police and Teamster members.

Overall, revenues remain the same as last year. Last year we did see a decrease in NYS retirement contributions, but this year I had to project a small increase due to the increase in Police retirement contribution. We did see a second year decrease in our Workers Compensation premium. Regarding medical insurance, I have projected an increase due to the increase in premium.

As stated above, my biggest concerns are the PILOT from Holtec, reduction in Cessation funding, decrease in other revenues or remaining stagnant and increased appropriations. I believe that if it was not for the PILOT and Cessation Fund, there would be moderate tax rate increases but due to these unknowns, we may see substantial increases in your future. As I stated in my message from last year, we had some positive indications last year but they have reversed. These items are beyond our control and they must to be funded.

**ASSESSMENT ROLL**

The taxable value in the Assessment Roll for the 2024-2025 budget year is \$7,080,912 which represents a small increase of .58% versus last year's Assessment Roll of \$7,040,216. The main reason for the increase was due to increase in special franchises and building permit throughout the Village. This is an item that must be monitored. Using the 2023-2024 Village Tax rate, the change in assessed value represents a \$25,495.64 increase in tax dollars. Grievances have been filed and we may see tax refunds as well as a reduction in our tax base unless we see any new development.

A positive item here is that two developments have been recently approved. If the taxable assessment comes in as expected, we will see a positive impact throughout taxable value as well as positive tax revenue. However, please be aware this may not materialize for year or two.

**APPROPRIATIONS**

Appropriations increased over the 2023-2024 Adopted Budget. This was mainly due to increase in police appropriations (police salary and benefits), increase in overall benefits and an increase in debt service due to the anticipated 2024 bond. I carefully reviewed each line item with the Department Heads and staff, in an attempt toward keeping appropriations as low as possible for the 2024-2025 fiscal year, without negatively impacting Village services and day-to-day operations.

The following is a list of the General Fund expenditure items which have the largest impact on the tentative budget (greater than \$5,000). In addition, you will find some reclassification/addition of departments. I

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

recommend these changes to some department categories to provide the Board and public more transparency.

Major changes to Expenditure Forecasts:

- Increase, Administrator, Personnel Services of \$6,717.
  - To reflect increase in compensation for the Administrator.
- Increase, Auditor, Contract of \$5,000
  - To reflect increase in services.
- Increase, Treasurer, Personnel Services of \$23,753.
  - To reflect increase in compensation for staff.
- Decrease, Treasurer, equipment of \$5000.
  - Based on historical actual expenditures.
- Decrease, Law, Personnel Services of \$5,000.
  - To reallocate prosecutor to the contractual line.
- Increase in Law, Other Appropriations of \$20,000.
  - To reflect increase in Special Counsel and reallocation of prosecutor.
- Decrease Public Buildings, part-time of \$5,000.
  - Based on historical actual expenditures.
- Decrease in Public Buildings, repairs of \$5,000.
  - Based on historical actual expenditures.
- Decrease in Central Garage, repairs of \$5,000.
  - Based on historical actual expenditures.
- Decrease in central telephone/Internet of 10,000.
  - Based on historical actual expenditures.
- Increase in Unallocated Insurance of \$5,700.
  - Based on renewal of all policies
- Decrease in Contingency of \$100,000.
  - To reflect overall contingency and potential liabilities.
- Increase in Police, Personnel Services of \$90,273.
  - To reflect salary increases.
- Increase in Police, Holiday Pay of \$5,208.
  - To reflect increase and salary.
- Increase in Fire Department, Other appropriations of \$18,903.
  - To reflect overall request from the Fire Department.
- Increase in Safety Inspection, Personnel Services of \$13,347.
  - To reflect increase in compensation for the staff.
- Increase in Street Administration, Out of Title of \$18,000.
  - To reflect cost of coverage for out of title pay in the absence of the General Foreman.
- Increase in Street Maintenance, Personnel Services of \$9,142.
  - To reflect actual staff and increase salary.
- Increase in Street Maintenance, summer help of \$5,000.
  - Based on actual expenditures.
- Increase in Street Maintenance, repairs of \$5,000.
  - Based on actual expenditures.

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

- Decrease in Street Lighting, other appropriations of \$5,000.
  - Based on actual expenditures due to conversion to LED.
- Decrease in Sewer Collection System, repairs of \$15,000.
  - Based on historical actual expenditures.
- Decrease in Sewer treatment and disposal, Overtime of \$5,000
  - Based on historical actual expenditures.
- Decrease in Sewer treatment and disposal, equipment of \$12,000
  - Based on historical actual expenditures.
- Decrease in Sewer treatment and disposal, Sludge removal of \$5,000
  - Based on historical actual expenditures and improvements in processing.
- Increase in Sanitation, Personnel Services of \$10,187.
  - To reflect actual staff and increase salary.
- Decrease in NYS Retirement, employees of \$7,338.
  - Based on rates provided by the State and Personnel estimated costs.
- Increase in NYS Retirement, police of \$34,352.
  - Based on rates provided by the State and Personnel estimated costs.
- Increase Social Security and Medicare of \$14,403.
  - Related to increasing salaries.
- Decrease in Workers Compensation insurance of \$20,000
  - Based on premium renewal. Second year and overall decrease.
- Increase medical insurance of \$115,308
  - Based on increase in rates.
- Increase in Dental Insurance of \$8,983.
  - Based on premium renewal.
- Increase Bond Principal of \$55,000
  - To reflect actual expenditures as well as 2024 bond.
- Increase Bond Interest of \$21,000
  - To reflect actual expenditures as well as 2024 bond
- Decrease in Bond Anticipation Note (BAN) principal of \$10,000
  - To reflect actual expenditures.
- Decrease in Bond Anticipation Note (BAN) interest of \$6,000.
  - To reflect actual expenditures.

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

**Summary Comparison of Appropriations by Category**

<b>Governmental Function of the Proposed Appropriation Increases</b>	<b>Adopted 2023-2024</b>	<b>Tentative 2024-25</b>	<b>Increase/Decrease</b>
General Government Support	1,860,273	1,786,447	(73,826)
Public Safety	1,506,819	1,638,225	131,406
Health	2,500	2,500	-0-
Transportation	535,669	571,229	35,560
Economic Assistance	3,000	3,000	-0-
Culture & Recreation	429,100	431,812	2,712
Home and Community Services	1,089,922	1,063,795	(26,127)
Employee Benefits	1,967,201	2,094,207	127,006
Debt Service Payments	245,000	305,000	60,000
Transfers	350,000	350,000	-0-
<b>Total</b>	<b>7,989,487</b>	<b>8,246,215</b>	<b>256,800</b>

**REVENUES**

Property taxes account for 57% of all Village revenues. The tentative budget has an increase in property taxes of 5.34% from last year. This increase is due to the decrease in Cessation funding, decrease in other revenues, increase in salary/benefits for the Police officers, increase in debt service for the 2024 bond and decrease in transfer from the Water Fund. Income from sales tax provides another 5.46%, while departmental income accounts for 9%, and mortgage tax account for .8%. We are and will continue to be impacted by the closure of Indian Point. Even though the Village and Holtec reached an agreement on a PILOT, it decreases every year and terminates at the end of the 2025-26 fiscal year. The last year also reflects a decrease in the PILOT payment of \$200,000. A source of funds has been provided by the State called Cessation Mitigation Fund but it also decreases every year and it terminates at the end of the 2027-28 fiscal year. My projections were made considering both the current economic environment and actual historical amounts received during prior budgets. Based on this review, I have provided some recommendations for certain revenue accounts as explained later in this message.

I am happy to report the Village Board adopted a fund balance policy. This provides a guideline where the Village Board should try to keep the fund balance at a level to protect the Village and the taxpayers from any substantial emergencies or financial circumstances that were not foreseen. The added benefit of having a fund balance policy is that it may assist in acquiring a lower interest rate when the Village decides to go to the market for financing. The rating agencies look upon this favorably for debt rating.

As stated above, my overall concern is that we may see an increasing in the tax rate in the range above nine percent in fiscal year 2025-2026 and higher in future years due to the decrease in the PILOT and Cessation Funding. I have mentioned in my prior Budget message, and we have discussed, we will be facing substantial increase in taxes for the foreseeable future due to the loss of revenue from the closure of Indian Point. This is something the Board will have to deliberate. The possible good news is if we do see the

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

development of the two projects recently approved, their tax impact may reduce a portion of the tax rate increases for the 2025-2026 fiscal year but there will still be a substantial impact in year 2026-2027.

The following is a list of the General Fund revenue items which have the largest impact on the tentative budget (greater than \$5,000). Please see a summary of my recommendations with respect to revenues below.

**Major changes to Revenue Forecasts:**

- Decrease in PILOT of \$100,000
  - This is based on the agreement with Holtec which will continue reducing each year.
- Increase Sales Tax of \$30,000
  - Based on historical actual expenditures.
- Increase in Gross Receipts Tax of \$5,000.
  - Based on historical actual revenue.
- Increase in payment from Holtec of \$100,00.
  - This is based on the agreement with Holtec which will increase in the 2024-25 fiscal year, reduce in the 2025-26 fiscal year and end.
- Decrease in Recreation Fees-Day camp of \$35,000
  - Based on historical actual revenue.
- Increase in Sewer service change flow of \$30,000
  - Based on historical actual revenue.
- Increase in Interest Earnings of \$45,000
  - Based on historical actual revenue and additional investment opportunities.
- Increase in Building Permits of \$30,000.
  - Based on the substantial work performed by the building department.
- Increase in Bail and fines of \$25,000.
  - Based on the Court Clerk being more efficient at collecting overdue fines.
- Increasing State aid of \$17,000.
  - Based on historical actual revenue.
- Increase in Mortgage Tax of \$10,000.
  - Based on historical actual revenue.
- Decrease in Cessation grant \$116,471
  - This is based the estimated grant being approved and funds availability.
- Decrease in transfer from Water of \$50,000
  - To remove dependencies from Water Fund.

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

**Summary Comparison of Revenues by Category**

<b>Governmental Function of the Proposed Revenue Increases</b>	<b>Adopted 2022-2023</b>	<b>Tentative 2023-2024</b>	<b>Increase/Decrease</b>
Other Property Tax Items	1,110,000	1,012,000	(98,000)
Non-Property Tax Items	535,000	573,000	38,000
Departmental Income	649,800	740,800	91,000
Intergovernmental Charges	20,000	20,000	-0-
Use of Money and Property	25,000	70,000	45,000
Sale of Licenses and Permits	33,250	63,250	30,000
Fines and Forfeitures	25,000	50,000	25,000
Sale of Prop./Compensation for Loss	10,000	10,000	-0-
Miscellaneous	12,000	15,000	3,000
Interfund Charges	0	0	-0-
State Aid, Cessation grant	1,058,830	969,359	(89,471)
Federal Aid	0	0	-0-
Transfers In	100,000	50,000	(50,000)
Appropriated Fund Balance	0	0	-0-
Real Property Taxes	4,410,602	4,672,875	262,813
<b>Total</b>	<b>7,989,482</b>	<b>8,246,284</b>	<b>(256,802)</b>

Overall, we had an increase in appropriations of \$256,800 and a reduction in revenues of \$5,471. This increase in appropriations and reduction in revenues is offset by an increase in real property taxes of \$262,813. Summaries and comparisons of revenues by category can be found in this budget document.

**TAX RATE**

Overall, appropriations in the General Fund have increased by \$256,800 or 3.11%, primarily due to the items mentioned above. The budget that I am presenting for the Village Board consideration is a total property tax levy of \$4,672,875. The proposed tax rate for the 2024-2025 fiscal year is \$659.93, per \$1,000 of assessed valuation, or a 5.34% increase over last year. For example, a home assessed at the average assessment of \$4,393, with a market value of \$294,832, would pay an additional **\$146.88** for the year or **\$12.24** per month.

**TAX CAP**

As you are aware, the State passed what they call a “Tax Cap” nine years ago. This is really a Tax Levy Cap. The Tax Cap rate is calculated by computing the difference between the prior year’s tax levy against the new tax levy. The cap is set at 2% or at the Consumer Price Index (CPI), whichever is lower. The State has determined that the cap for this budget year is 2.00%. The State determined that in this calculation you may exempt certain appropriations, allowable increases in growth and a carry over. The loss of revenue from Indian Point is not an allowable exemption under the law. Based on this tentative budget, we will not meet the cap for this year. Please see below for additional information.

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

**FINANCIAL PLAN**

This Tentative Budget is presented as a starting point for informed policy making decisions. I have detailed some of the major items in this Tentative 2024-2025 Budget, including some assumptions for your consideration:

Potential Risks and/or Changes to Future Appropriations and Revenues:

- We currently have contracts with the PBA. All impacts to the taxes have been incorporated into this tentative budget. There will be additional increases that the Village will have to budget for that will produce tax increases. The PBA contract will expire in May of 2025.
- We currently have contracts with the Teamster. All impacts to the taxes have been incorporated into this tentative budget. There are required increases that the Village will have to budget for that will produce tax increases. The Teamster contract will expire in May of 2027.
- Nine years ago, the New York State Retirement system modified the system by creating new tiers. This has provided for a stabilization or minimal increase in the retirement rates. The State predicted this in their review of the retirement rates. The State works on a five-year lag; therefore, they were able to provide good assumptions for the proposed new retirement rates. As stated above, the State created a new tier for new employees in 2012. This new tier requires contributions from the employees for a much longer term, longer terms of service, and limits the amount of overtime that may be included for the calculation of the retirement benefit. This has proven to create much lower retirement rate contributions for all municipalities. This is a very good indicator that the retirement rates should be stable for some time. In fact, we have already seen a reduction in the contribution rate based on the changes the State has put in place. The State has approved a totally different retirement plan. This plan is based on a defined contribution plan versus the current defined benefit plan. The issue with this new plan is that it is an option, offered to only non-union employees and income must be above \$75,000. If the State determines to make this a mandatory plan to all new employees, there could be substantial savings. We have yet to see anyone choose this option. Even though there were positive indicators in the past and anticipated lower rates for this year, as stated above there is a five-year lag and the full impacts due to the pandemic will not be felt for a year or more. Due to the items mentioned above we did see a stabilization of contributions but it seems that this leveling off contributions will not continue.
- This year's tax roll had a small increase. This is the second year in a row. These increases were due to the Building Department work. I am concerned that we will be facing tax certioraris that will decrease our taxable value. This is due to the reduction of the equalization rate this could create the potential for SCARs and tax certioraris. We should keep a close eye on this item in the coming years. I do not believe that we will see other revenues increasing, coupled with the potential increasing appropriations, infrastructure requirements, we must discuss other potential options to offset these increases and reduction. I would like to work with the Board to determine if there are other avenues for increasing revenues to offset the increase in appropriations, level revenues and the potential decrease in taxable value. The good news here is that the we have two new

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

developments that will increase our taxable value. This is a great first step, but the impact due to the reduction of the PILOT and Cessation Funding the impact will be substantial.

**PILOT and Cessation Mitigation Fund**

- I believe that the most important issue that we will be facing is the PILOT with Holtec and the Cessation Fund, as I have stated before. The Village and Holtec reached a 4-year agreement two years ago. With this tentative budget, we will be in the third year of the agreement. The Cessation Mitigation Fund is a seven-year program. With this tentative budget it will be in the fourth year of the program. The issue I see is the termination of the PILOT. Under the agreement the fourth year is an option as well as a reduction in payment. This creates more uncertainty. My concern is that we will be facing substantial increases in taxes beginning in the 2026-27 fiscal year. Without a new agreement, I recommended last year that the Board consider increasing taxes in preparation of the loss. I wanted to be proactive and transparent on this issue. Based on my calculations, I recommended to the Board to consider increasing taxes by a certain percentage starting last fiscal year. The proposed increase would have to be added to every fiscal year until the 2030-31 fiscal year. This is due to the overall loss of the PILOT and reduction of Cessation Fund starting in the 2026-27 fiscal year. After a lot of discussion, the Board decided not to proceed with my recommendations. The Board believed that a new PILOT could be accomplished before the 2025-2026 fiscal year. Negotiations are ongoing. Please see a summary of the loss of revenue due to current reduction of the PILOT and Cessation Fund.
  - 2025-26 fiscal year, loss of \$ 336,471.
  - 2026-27 fiscal year, loss of \$1,116,472.
  - 2027-28 fiscal year, loss of \$ 276,472.
  - 2028-29 fiscal year, loss of \$ 552,943.

I have also attached a chart to reflect the impact of this issue. See Schedule A.

**Capital Projects**

- I would like to plan a meeting with the Board and all department heads to review and discuss the five-year capital program. The Board will have to determine the priority and how we may fund the programs. Some of these projects may have to be funded by appropriations or debt service. The projects that are concerning are wastewater projects and water. Two items that we should discuss are: \$350,000 to replace a wastewater line on Route 9A and the planning of replacing water meters and access points.

**Water Fund**

- The Water Fund is a self-sustaining fund. It raises its own revenue to cover its expenses. As we have discussed, the Water Fund has been subsidizing the General Fund for many years. My tentative budget almost ends this subsidy. The major expense in this fund is the purchase of water from Montrose and the City of Peekskill. Indian Point was the largest user of water. In my message of last year, I provided detail information regarding the impact of Entergy and Holtec water usage.

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

Now that we resolved the issues with Holtec we can now better determine what the water rates should be for this tentative budget. We also changed the billing cycle for all water customers from biannually and monthly to quarterly. This change in process provided a benefit to our customers. In addition to changing the billing cycle and having the actual usage, we adopted two rate structures: One for most users and one for the industrial. I am recommending no change to the residential but a small change to the first tier of the commercial rate. A major item we have to plan for is the replacement of the water meters/access points. The current estimated cost is \$450,000. As time passes this cost will increase. These units have an end of life that will make the readings not accurate. They will start reporting lower than actual usage that will negatively affect revenue and false information to the customers. According to the manufacturer this will start within the next four years. To avoid this situation, we must start placing funds aside to avoid a larger increase in the water rates or having to take out debt. This proactive process will allow to spread the financial impact over time. We may be able to start this process by the end of the 2024-2025 fiscal year.

Please see the current rate table below, reflecting no increase to the residential, but a small change to the first tier of the commercial rate:

	Current Rates	Current Rates	Proposed Rates
Rate Table	Residential Cost	Commercial Cost	Commercial Cost
1st 1,000 cf (min. charge)	\$25.00	\$25.00	\$55.00
Next 14,000 cf	\$8.09	\$10.09	\$10.09
Next 10,000 cf	\$10.90	\$12.90	\$12.90
Over 25,000 cf	\$12.78	\$14.78	\$14.78

**Debt Service Fund:**

- This fund is used to account for the payment of interest and principal on all debt service.

**Summary:**

In summary, I am providing a Tentative Budget that reflects the current requirements of the Village. As mentioned in multiple messages, we will be facing considerable tax rate increases due to the loss of the PILOT with Holtec and the Cessation Fund. This is an important aspect for the Village Board to consider. My tentative budget reflects an increase in taxes due to the items listed but my concern is future fiscal years tax increases. Unless there is a new PILOT and/or the 60 acres are released and developed, we will be facing a major financial issue in a few years. Regarding the water rates I am recommending no change to the residential but a small change to the first tier of the commercial rate. The Village Board will have to make some difficult decisions again to determine how they will like to handle the PILOT and Cessation Fund losses.

In closing, as I have always stated in the past, I would like to thank Cindy, Sharon, Keith, all Department Heads and Village staff, not only for their hard work and dedication daily, but for their contributions in

OFFICE OF THE VILLAGE ADMINISTRATOR  
VILLAGE OF BUCHANAN

assisting me during the budget process. We continue to have difficult years and will continue to face financial difficulty for years to come.

It has been a pleasure working with Cindy, Sharon, and Keith in the office. They go above and beyond and are always willing and able to help in any way. I am very proud and honored to work with a staff that cares so much about the Village.

I want to thank all the dedicated employees who are willing to do whatever it takes to make the Village a wonderful place to live and work. I also want to thank the Boards and volunteer groups with which I have the pleasure of working with and the residents that I have the pleasure of serving.

Last, but not least, I would also like to extend a special thank you to the Village Board for providing me with the opportunity and honor to work for the Village.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Marcus Serrano".

Marcus Serrano  
Village Administrator  
March 26, 2024
