Dear Resident,

We have received some calls regarding the increase on some water bills.

We wanted to advise you that there was an increase on water rates due to impacts related to the closure of Indian Point. But please keep in mind that the most recent bill also involved the summer months that tend to be higher in usage as well, therefore please keep this in mind when reviewing your bill.

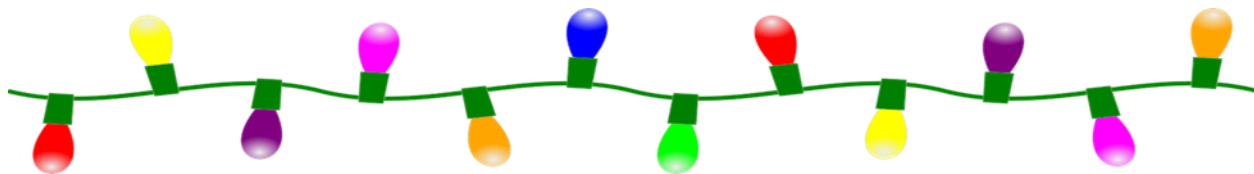

The Village Board did have a discussion regarding this concern on November 22, 2022. You may view the discussion by clicking on the following link <https://youtu.be/-oVnV7BEGBE> or by going to the Village website, click on government, Board of Trustees, Videos and click on November 22, 2022

As always, please feel free to contact Village Hall anytime if you would like to discuss or review your bill or any other matter. We are here to help.

We would like to say that we try hard to avoid any increases in water or taxes. However, due to the impact of Indian Point it has been very difficult. What we can say is that we believe the impact due to Indian Point to the water should now be over after this increase. We should see a leveling off.

We encourage you to sign up for Village information by clicking on this link <https://villageofbuchanan.com/email-list.html>. By doing so you will receive up to date information on meetings and agendas. But as stated above you may always call if you have any questions or concerns.

Thank you.

2022 Light Up the Village of Buchanan

Congratulations to the winners in our Light up the Village Celebration! There were MANY to choose from and it was quite hard to choose the top 5!

Winners were on Cole Court, First Street, Gallagher Street, Henry Street, Ketchum Avenue. All winners received a gift card. Pictures of the houses are on the Village's Facebook page, Television Screen and Website.
