

**VILLAGE OF BUCHANAN
RESOLUTION AUTHORIZING THE REPLACEMENT
OF MECHANICAL AERATOR AT THE
VILLAGE WASTEWATER PLANT**

Introduced by: _____

Seconded by: _____

Dated: _____

WHEREAS, the Village Board of Trustees is desirous of replacing the mechanical aerators on the southern side of the Village's Wastewater plant because said aerators have reached the end of their useful life; and

WHEREAS, the mechanical aerators were originally manufactured and installed in the 1960's by Yeomans Brothers Company which is no longer in business; and

WHEREAS, after a diligent search there is no other identical product with similar geometry capable of working with the existing equipment; and

WHEREAS, the only way to repair the mechanical aerators is for a steel fabricator replicate the original design; and

WHEREAS, the Village Engineer recommends Alon Industries as the sole source capable of fabrication and installation of the mechanical aerators to the original manufacturer's specifications insuring proper functionality; and

WHEREAS, Alon Industries fabricated all necessary equipment and proper installation on the Northern side of the Wastewater Plant;

NOW THEREFORE BE IT RESOLVED, that the Village Administrator be authorized and directed to accept the proposal in the amount of \$74,327.01 from Alon Industries and authorize the start of said project.
