Dear Mayor Knickerbocker,

I hope that this letter finds you and the Members of the Village Board well. I am writing to you in your capacity as the Village of Buchanan Mayor, to request a Permit for PlugPV to solicit Renewable Energy products door to door within the Village of Buchanan.

Plug PV is a leading provider of Sustainable Energy Solutions and we believe that the residents of the Village of Buchanan would greatly benefit from our products and services. Our goal is to educate the community on the importance of Renewable Energy and provide them with the tools and knowledge needed to reduce their carbon footprint as well as their bill.

We would like to request a permit to solicit door to door within the Village of Buchanan from 11:00 AM until 8:00 PM Monday through Saturday until December 31, 2023 or whatever the annum is on the permit. All of our representatives are thoroughly trained and knowledgeable about our products and services and they will follow all relevant laws and regulations including the Do Not Call registry.

I would be grateful if you could let me know if there are any further steps we need to take to obtain the permit. I would like to assure you that we are committed to providing high quality service to the relative residents of the village of Buchanan.

Thank you for your time and consideration.
I look forward to hearing back from you soon.

Respectfully,

Noel Cappelletti
