

MEMORANDUM

To : Marcus Serrano
Village Administrator

From : George E. Pommer, P.E.
Village Consulting Engineer

Dated : May 16, 2024

Subject : Sewage Plant Sludge Removal Recommendation
at the Sewage Treatment Plant
Village of Buchanan

On May 16, 2024, three (3) bids for the referenced project were received and publicly read aloud at Village Hall. As requested, we have reviewed the bids in accordance with the project specifications. The bid values were verified for the three (3) bidders as shown on the attached bid tabulation.

The site is located at 10 Greentown Road, Village of Buchanan. The work to be done under this contract, identified as Sewage Plant Sludge Removal, comprises the removal, transportation and disposal of approximately 1,100,000 gallons of sludge from the Holding Tank of the Village Sewage Treatment Plant and 5 sewage pump station wet wells. Other related work includes on call services for televising existing sewer pipes within the Village all in accordance with the plans and specifications and as directed by the Engineer.

The Contractor's names, addresses and base bid amounts are as follows:

<u>Contractor</u>	<u>Total Bid Amount</u>
Fred A. Cook, Jr., Inc. 3226 Albany Post Road Buchanan, NY 10511	\$126,500.00

<u>Contractor</u>	<u>Total Bid Amount</u>
Wind River Environmental, LLC dba Earth Care 99 Maple Grange Road Vernon, NJ 07462	\$246,400.00
TAM Enterprises, Inc. 114 Hartley Road Goshen, NY 10924	\$825,000.00

The lowest bidder for the work is Fred A. Cook, Jr., Inc., who has submitted a responsive bid with satisfactory work references and has been successful in completing similar projects of similar scope.

Based on the above, we recommend that the Village Board accept and approve Fred A. Cook, Jr., Inc. as the low bidder and have the project proceed pending the submission of bonds, and insurances.

If there are any questions, please do not hesitate to contact me at your earliest convenience.
