

MEMORANDUM

To : Marcus Serrano
Village Administrator

From : George E. Pommer, P.E.
Village Consulting Engineer

Dated : June 20, 2024

Subject : 2024 Gate Valve Replacement Project
Village of Buchanan

On June 19, 2024, one (1) bid for the referenced project was received and publicly read aloud at Village Hall. The project was advertised in the Journal News, on the Village website, and on BidnetDirect. As requested, we have reviewed the bid in accordance with the project specifications. The bid values were verified for the one (1) bidder as shown on the attached bid tabulation.

The work consists of furnishing all labor, materials and equipment necessary to furnish and install new gate valves, valve boxes, and covers including all connection appurtenances, gravel and fill material. Other related work shall include saw cutting concrete and asphalt roadways, excavation, removal and disposal of excavated materials and existing gate valves, restoring asphalt roadways, concrete road base, curbs and sidewalks, as well as restoring and cleaning the project area all in accordance with the plans and specifications as directed by the Village Water Department, as part of scheduled work and/or during emergency conditions.

This is a one (1) year agreement. The Village may elect to renew the agreement for one (1) additional year if agreed upon by the Contractor.

The Contractor's name and address is below the attached bid tabulation shows the cost for each size of gate valve for both scheduled work and emergency work.
